INSTITUTIONAL DISTINCTIVENESS

Describe/Explain the performance of the intuition in one area distinctive to its vision, priority and thrust Response.

Privileges of Venue and Virtues of Infra

Brilliant Institute of Engineering and Technology is a highly reputed Institute, established in 2008 with EAMCET Counselling Code **BRIL**. **Dr. Shaik Rusthum** is the Principal at the helm of affairs of the college. He is an eminent academician and highly accomplished man with vast experience.

The Brilliant Group turned a golden leaf with the icon of technical education in Telangana who steered the Engineering education onto the echelons of national and international corridors, a versatile, sagacious genius **Sri Kasireddy Narayan Reddy**, an eminent and dynamic educationalist of our state, taking reigns as the **Chairman** of all the colleges in **Brilliant Group of Technical Institutions**.

He has been leading the Brilliant Grammar High Schools to be among the top-notch schools in our state since 1986. With the same motivation and dynamism, he established the Brilliant Group of Technical Institutions in 2008 and has been constantly upgrading them perpetually to promote a valued technical education in our state.

Our campus is a 70 acre stretch of land with hillocks on one side and plain area on the other three sides. The students are provided with plenty of opportunities to develop their individual talents and abilities and to aspire for excellence in academic and personality development.

At **BRIL**, we believe in engender and promulgate knowledge and talent in core and frontier disciplines through innovative education programs, research, industrial training and consultancy and developing a new cadre of proficient citizens with a high level of competence, profound sense of social commitment and moral ethics

Many recent teaching initiatives in engineering education have the underlying premise of improving student engagement with global issues and providing first-hand experience of complex problems associated with sustainable development and production. A greater understanding of actual motivational drivers may help in student recruitment and retention, and address, e.g. gender disparity. In this work, student motivations and aspirations are explored through a cross-faculty survey of undergraduate engineering students.

The results indicate that while many students start an engineering degree with an aspiration to 'invent something new' and 'make a difference to the world', these diminish with time to be dominated by issues such as financial security. Students who continue to aspire to the creative/high-impact notions of engineering also maintain an enthusiasm for engineering. However, all students desire more practical work and skills training. Based on these findings, some general recommendations are given for further inspiring students towards engineering.

The Management is relentless in the creation of facilities

1. Laboratories with leading equipment.
2. Encouraging Publications through inducement.
3. Well-built training and placement cell.
4. Educational and Industrial tours for real-time exposure.
5. Accessibility of resources for sports and games, yoga for physical and mental strength.
6. Supportive towards participation in workshops, seminars, conference's by providing monetary support.
7. Activity projects and apprenticeship by introducing students to daily rigors and tasks without a fiery commitment to that precise career track.
8. An open access computerized library with ample content for exploration.
9. Mentoring responsibility.
10. Involving staff in supporting management like institutes like academic advisory governing body technical tests, grievance redressal's, anti-ragging committee, women protection cell to take important decisions in the institute.

1. College Location:

BRIL is surrounded by several villages and the ambience is set in a completely rural background with serene atmosphere. Many students are coming from nearby villages such as Abdullapurmet, Batasingaram , Pochampally , Hayathnagar etc. Most of the students prefer to attend the college on foot and by bicycle. Due to these factors the institute is free from pollution and doesn't get exposed to contamination. By possessing the above special features, the institution maintains its distinctiveness. The institute caters the needs and demands of students with regarding the transportation both for faculty and students with bus services covering from different areas of the city like Nalgonda, Narkatpally, Dilshuknagar, Mehedipatnam, Kukatpally, etc. to the Institute. The buses are safe with well trained drivers appointed by the college authorities. The buses are also equipped with First- Aid facility. These buses are secured, comfortable and affordable.

3. Faculty Development Program on National Education Policy

Education is fundamental for achieving full human potential, developing and equitable and just society, and promoting national development. Providing Universal access to quality education is the key to India’s continued ascent, and leadership on the global stage in terms of economic growth, social justice and equality, scientific advancements, national integration and culture press Nation. Universal high quality education is the best way forward for developing and maximizing our country’s rich talents and resources for the good of individual, the society, the country and the world. India will have the highest population of young people in the world over the next decade, and our ability to provide high quality education opportunities to them will determine the future of our country.

7. Internships

Date: 16.08.2021

INTERNSHIP CERTIFICATE

This is to certify that, GAJJALA NIKHIL REDDY bearing Hall ticket number: 20QA5A0118 B.Tech III year student of CIVIL ENGINEERING from BRILLIANT INSTITUTE OF ENGINEERING TECHNOLOGY, HYDERABAD has completed internship on "Design of a Building Using Stadd Pro" at "NPP CONSTRUCTIONS", Hyderabad under our guidance from 01.07.2021 to 16.08.2021.

During the internship student demonstrated good communication skills and ideas with self motivated to learn new things. Performance of the student exceeded expectations and was able to complete the internship successfully.

We wish the student all the best for his future endeavors.

INTERNSHIP CERTIFICATE

This is to certify that Mr./Mrs. **BALLEM SANGAVI** bearing Hall Ticket No. **19QA1A0409** of B. Tech III year student from of Electronics And Communication Engineering from **BRILLIANT INSTITUTE OF ENGINEERING & TECHNOLOGY** has successfully completed the internship Program on "RADAR Signal Simulator" internship program under the supervision of Deccan Machinery & Solutions. Hyderabad from **01/09/2021 to 03/11/2021**.

During the program, he gained knowledge about the principles of Crimping, packaging, print and publishing industry including the components. He had a strong commitment to learning and actively participated in all aspects of the program. Their enthusiasm and dedication to mastering the subject matter were evident throughout the internship.

We believe that he has developed valuable skills and knowledge in Deccan Machinery & Solutions that will be beneficial to them in their future academic and professional endeavors. We congratulate him on his successful completion of the program and wish them all the best in their future pursuits.

9. MOU's with reputed Organizations and Industries

TASK (Telengana Academy for Skill and Knowledge):

Telengana Academy for Skill and Knowledge was established by the Government of Telengana for enhancing skilling energy among institutions of Government, Industry & Academia.

Value for Colleges:

- Partnership with Reputed Technology Organizations for skilling programs
- Subsidized rates for Technical Certifications
- Faculty Development Programs
- Hosting Skilling Initiatives on their campus

Value for Youth:

- Access to Industry relevant skilling modules on technology skills, personal skills and organization skills
- English Language Skilling
- Internship Opportunities
- Mentor Talks
- Entrepreneurship Development
- Access to Maker Space Labs
- Opportunity to participate in placement drives across organizations
- Online access to e-learning content
- Industry Projects/Visits
- Access to MOOCs
- Finishing School for Unemployed Youth
- Career Development Workshops
- Internship Opportunities
- Mentor Talks
- Entrepreneurship Development
- Access to Maker Space Labs
- Opportunity to participate in placement drives across organizations

10. CLUBS

Motivation towards creating BRIL clubs

BRIL clubs are functioning on the campus to help students learn new skills and gain fresh experiences. Co-curricular and Extracurricular activities offer great developmental benefits to help students grow professionally. Joining a Campus club benefit you to gain knowledge, skills and experience in leadership, good communication skills, excellent problem-solving skills, group development and management, presentation and Public speaking. At the Campus, Students have the option to choose their passionate club and become members.

Math Club:

The prime motive of our Math Club is eliminating the fear of Mathematics and creating a passion towards the subject the club promises to cultivate various chances and a BRILht platform to exhibit their talent, skills and passion for Mathematics. First, it fosters a community of students around a common interest in Mathematics. Club members are elected and they are provided opportunities to apply and improve math skills by participating in math competitions and learning circles.

GOALS

- To identify the level of understanding in Mathematics.
- To help the students develop their critical thinking and Mathematical ability.
- To improve and bring out the hidden Mathematical talents of the students.
- To promote enthusiasm and interest in Mathematics among the students.
- To provide a platform for discussing new methods of learning and teaching Mathematics.

OBJECTIVES

- Helps in the proper utilization of leisure time.
- Includes the habit of self study and independent work among the students.
- Provides opportunities for students to translate the theory into practice and apply their learning in daily life situations.
- Makes Mathematics learning a pleasant, creative and challenging experience for the students.
- Develops critical thinking skills of students through problem solving.

19. Campus Entrance with CC Cameras

The safety of our students is of prime importance. Our campus (BRIL) is monitored under 24X7 CCTV surveillance to keep a track of the activities of our students and also to get aware of any unnatural occurrences. The monitoring becomes highly intense on special days of occasions and events.
