1. Implementation of e governance in areas of administration

To communicate, college staff members use social apps embedded into their smart phones, such as Gmail and WhatsApp. Following classes, a WhatsApp group serves to deliver concise alerts of any events that will take place at college campus. Students may send their electronic copies of assignments to the provided email addresses. In addition, professors can give students mail addresses for study materials via his/her personal e-mail or WhatsApp groups.

2. Implementation of e-governance in areas of operation student admission and support

The university determines the admissions procedure. The applicant comes for admission separately wherever they wish to be admitted if there is a centralized system of admission that allows students to apply for admission online. The admissions merit list is published on the college website. Also, the college uses a software-based, systematic process to distribute books from its library.

3. Implementation of e-governance in areas of operation finance and accounts

Faculty & staff salaries are paid digitally through banking transactions. Only students use cash, a UPI, or an online mechanism to pay their admissions fees. Every scholarship payment is made electronically. According to the scholarship scheme, students must have an account number that is linked to both their mobile and Aadhar numbers.

4. Implementation of e governance in areas of operation examination

Annual and semester examination are conducted by the university using decrypted question paper sent through email or College follows according to its instructions. All the internal and external marks are updated in university portal as well as in college ERP software

It can be consider that a major improvement has been taken place in the various e-governance operations which is a sign of overall enhancement of institution performance
