internship opportunities, software courses, Non IT courses , certifications, and graphic design services.

F) The Parties intend to collaborate on training, education, and skill development in line with current industry demands.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU,

THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1

COOPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and cooperation to promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all relevant information to secure additional opportunities for one another.

1.2 The cooperation between the First Party and Second Party will facilitate effective utilization of the intellectual capabilities of the faculty of the First Party, providing significant inputs in developing suitable teaching/training systems, keeping in mind the needs of the industry.

1.3 The general terms of cooperation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds, and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU.

CLAUSE 2

SCOPE OF THE MOU

2.1 The budding graduates from the institutions could play a key role in technological upgradation, innovation, and competitiveness of the industry. Both Parties believe that close cooperation would be of major benefit to the student community to enhance their skills and knowledge.

2.2 Industrial Training & Visits: Industry and Institution interaction will provide insights into the latest developments/requirements of the industry. The Second Party shall permit the Faculty and Students of the First Party to visit its group companies and provide Industrial Training Programs. The Second Party will provide access to its labs, workshops, and industrial sites for hands-on training.

2.3 Research and Development: Both Parties agree to carry out joint research activities in engineering, software development, design, testing, and training fields.

2.4 Skill Development Programs: The Second Party shall train the students of the First Party on emerging technologies, software development, mobile app development, web-based applications, graphic design, and more, to bridge the skill gap and make them industry-ready.

2.5 Guest Lectures: The Second Party shall extend the necessary support to deliver guest lectures to the students of the First Party on the latest technology trends and industry requirements.

2.6 Faculty Development Programs: The Second Party shall train the Faculties of the First Party to impart training per industrial requirements, considering the National Occupational Standards in the concerned sector, if available.

2.7 Internships and Placement of Trained Students: The Second Party will actively engage in providing internship opportunities and assisting with the placement of trained students of the First Party into jobs in software development, design, and related fields.

2.8 Both Parties shall obtain all internal approvals, consents, permissions, and licenses required for offering the Programs as specified herein.

2.9 There is no financial commitment on the part of **Brilliant Institute of Engineering & Technology** (First Party) to take up any program mentioned in the MOU . Any financial consideration will be dealt with separately.

CLAUSE 3

INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, estoppel, or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copyrights, and designs) of the other Party.

CLAUSE 4

VALIDITY

4.1 This Agreement shall be valid until it is expressly terminated by either Party on mutually agreed terms. VH Global Technologies Pvt. Ltd & Quik Learner, the Second Party, will take effective steps for the implementation of this MOU.

4.2 Both Parties may terminate this MOU upon 30 calendar days' written notice. Upon termination, both Parties shall discharge their obligations accordingly.
